The Japanese company Honda produced jet skis for many years, until 2009, when interest in the development of this area was completely lost. Manufacturers did not consider the release of jet skis really lucrative, because since the release of the first device they have become not much more popular. At the same time, the production of cars, motorcycles and other equipment yielded many times more ...

Your Honda PWC is a high performance boat, not a toy. Honda recommends that it be operated by someone at least 16 years old. Your PWC can provide many years of service and pleasure -- if you take responsibility for your safety and understand the challenges you can meet while riding. There is much that you can do to protect yourself when you ride.
