Though ubiquitous today, available as a single microchip and found in any electronic device requiring sound, the synthesizer when it first appeared was truly revolutionary. Something radically new--an extraordinary rarity in musical culture--it was an instrument that used a genuinely new source of sound: electronics.

Bart Millard wrote this song after his father's death. He told SongFacts.com in 2012, "For several years following his death, I would find myself writing the phrase 'I can only imagine' on anything I could find. That simple phrase would give me a peace thinking about what my dad was finally experiencing."

J. Michael Finley - I can only Imagine

Choose a simple repetitive chant, one that you can learn easily so you're not always trying to remember it. It can be from any tradition but it should be one you feel comfortable with. Chant OM. Take a deep breath in. As you exhale, chant the sound OM. When you run out of breath, breathe in and repeat the chant.
