Cases and Materials on the Law  
Governing Lawyers presents the  
material in a manner similar to the  
presentation of the material in other  
mainstream law courses: the law  
governing lawyers is just that, law, and  
students seem to respect the course's  
place in the curriculum when the  
materials are presented as such. In most

The emphasis is decidedly on primary materials: well-edited principal cases followed by notes that inform the student on important details and developments. Each chapter covers an article of the Federal Rules of Evidence. Within the chapters and sections, the materials generally follow the sequence of the Rules.
