Show families you value their child. The way you talk about students has a big impact on the success of your partnership with families. Parents want to know that you see their child's best qualities, so be sure to communicate your optimism about the child and praise his or her positive traits.

18 Ways to Connect and Communicate with Families | The ...

This lesson asks students to consider the impact of both family legacies and the broader sweep of history on their identities. As journalist Maria Hinojosa stated in the first lesson of this unit, we all have stories of how we got "here": individual stories, family stories. For better or for worse, we owe at least part of who we are to the choices our families and other important people in our lives have made, as well as the choices made by even older generations.
