Remove drivers door panel seat ibiza? - Answers

Looking down between the door and card, locate the back of the door handle. Where the cable enters the handle you'll see that just below is a clip, this needs to be lifted over the tab to allow the cable unit to disconnect from the handle. Use the flat blade screwdriver to lift the tab and then lift the cable unit away. Remove the speaker next, 4 screws will allow the speaker to pull forward and the connector be disconnected.
