As a secondary source of market data, Edmunds.com partners with websites developed by automakers, providing them with insights into automotive consumer needs. The employment of a team of statisticians, PhDs and other personnel at Edmunds.com is used to compile the collected data and construct vehicle valuation tools such as the Edmunds "True Market Value" and "True Cost to Own".

### Edmunds Prices | Edmunds Car Values - NADAguides

Knowing the invoice price is a very important part of shopping for a new car. This is why we developed the True Market Value pricing system, which is our determination of what other consumers are actually paying for a vehicle. TMV accounts for the effect of all of the manufacturer's extra charges as well as the dealer's hidden subsidies, and we ...
