EICO Vacuum Tube Testers for sale | eBay

Eico 625 was quite a popular emission tester, and had a variation or two just to confuse me. A very early and quite popular emission tester from Eico was the Model 625. While it is a basic emission tester, the Model 625 is very compact and easy to use. The Model 625 is also one of the few (only?) Eico tube testers I know of that has a vacuum tube under the panel.
