Emotional Politics - The Role of Affect in Social ...

In chapter 3, Marysia Zalewski seems to use the terms affect and emotion interchangeably, making them both partake in the same aesthetic epistemology that relies on human senses and experience. Thus, she takes emotions to be a meaning-making tool. For Zalewski, therefore, emotions work politically from an individual perspective.

Review - Emotions, Politics and War - E-International ...

Emotions are material rhetoric - they have affective power and can dictate our modes of life. In fact, they are gateways into the social and material world. Emotions can lead to collective politics and social alliances; this social power is exhibited through politics and social movement, even to create national identities.

The Cultural Politics of Emotion - Wikipedia

In Political Affect, Protevi investigates the relationship between the social and the somatic: how our bodies, minds, and social settings are intricately and intimately linked. Bringing together concepts from science, philosophy, and politics, he develops a perspective he calls political physiology to indicate that subjectivity is socially conditioned and sometimes bypassed in favor of a direct connection of the social and the somatic, as with the politically triggered basic emotions of rage ...

Political Affect — University of Minnesota Press

There are many different types of emotions that have an influence on how we live and interact with others. At times, it may seem like we are ruled by these emotions. The choices we make, the actions we take, and the perceptions we have are all influenced by the emotions we are experiencing at any given moment.
