Constructive dismissal: a constructive dismissal generally occurs where an employer makes a change to a fundamental term or condition of an employee's terms of employment (e.g. decrease in salary or decrease in work hours) without that employee's consent. Constructive dismissal also includes situations where an employer harasses, bullies, or abuses an employee, and the employee resigns in response.

Practice Notes On Termination Of Employment Law PDF

Dismissal is the termination of employment by an employer against the will of the employee. Though such a decision can be made by an employer for a variety of reasons, ranging from an economic downturn to performance-related problems on the part of the employee, being fired has a strong stigma in some cultures. To be dismissed, as opposed to quitting voluntarily, is often perceived as being the employee's fault. Finding new employment may often be difficult after being fired, particularly
