Home 11/11/2020 - Values To Action

"From Values to Action Summary" Leadership is not a tool for guiding large masses of people. Some say that leaders are born, others that they are made, this book covers both aspects and lets you be the judge. Influencing people doesn't mean taking advantage of someone's freedom and using it for immoral purposes.

From Values to Action PDF Summary - Harry M. Kraemer ...

If a company's values align with the natural desires and actions of the employees, the values themselves will inspire action. When enough people love what they do, love why they are doing it and love who they are doing it with, they will make things happen and with a passionate force that can be a continuing source for future sparks of action.
