American Government and Politics in the Information Age ...

While the Constitution sets up the system of government, the actual way in which the offices of Congress and the Presidency are filled are based upon the American political system. Many countries have numerous political parties—groups of people who join together to try and win political office and thereby control the government—but the US exists under a two-party system.

Politics | Definition of Politics by Merriam-Webster

The politics of the Philippines take place in an organized framework of a presidential, representative, and democratic republic whereby the president is both the head of state and the head of government within a pluriform multi-party system. This system revolves around three separate and sovereign yet interdependent branches: the legislative branch, the executive branch, and the judicial branch.
