### Ikea Whirlpool Dishwasher Dwh B10

We have had the Ikea Bespara (Whirlpool DWB-b10) for over a month now and it has been excellent. This machine cleans well, dries fine and is very quiet. I knew from our experience at work, where we have an expensive Bosch model, that if you don't pack the items sensibly they will not clean.

### Dishwashers - IKEA

I have a Whirlpool for Ikea DWH B10 dishwasher that has suddenly started with a fault. About 10-15 minutes into any cycle, the program stops and the machine beeps. The fault light flashes 4 times, which I believe is a drainage problem, so I have disconnected the drain pipe into a bowl and checked that a large bowl of water I pour into the ...

### Dishwashers - Slimline Dishwashers - Integrated ... - IKEA

Hi, I have a Whirlpool for Ikea DWH B10 dishwasher. If you start any cycle, after a minute or two, it'll beep and the light flashes 4 times ( and the cycle reverts to 'rinse'). I've spoken to whirlpool and they say its drainage problem. I then checked the drain pipe, I checked the sump at the bottom the dishwasher and there was no blockages.

Re: ikea whirlpool dwh b10 4 flashes Usually very simple...look in the sump at about the 3 o'clock position, you will see a grid which is probably clogged up. Clean it thoroughly with hot water and a toothbrush...don't poke anything sharp through as there is a rubber diaphragm behind which you might puncture.

I have a Whirlpool DWF B10 built in dish washer bought from IKEA. Its just over a year old, and has stopped working. It worked ok for about 11 months, and then one day all we got was continous bleeping midway through a cycle and it stopped working. As it was still under warranty the nice man came out to take a look.
