Vollman writes like a poet. He says things well-mannered people don't say--but they do think: Poor people are always sick, they're clumsy, they have bad luck, they make bad decisions, they don't smell good, they live in disgusting hovels. He removes the veil of liberal guilt that censors these thoughts and makes you look at them.

This paper analyses the views of Bentham, Malthus, and Mill, on poverty, population, and poor relief, in order to investigate the influence of the two former on the latter. It argues that all three shared two basic assumptions which led them to frame a similar problem. Mill, like Bentham, and unlike Malthus, defended the public provision of relief to indigence on utilitarian grounds, while his ...
