International commercial law

One of the most important systems of delocalization is Lex Mercatoria. It was used as a body of rules in the medieval times by merchants [34]. Nowadays, it has evolved and is able to handle today's disputes in international commercial law. One example of the Lex Mercatoria is the 'UNIDROIT Principles of International Commercial Contract'.

Conflict of Laws in International Commercial Arbitration

In arbitration of international commercial disputes, this is usually put into writing and once the award is made the arbitral tribunal is functus officio in respect of the matters decided within the award and the issues are thereafter res judicata.⁴ According to Indira Carr, arbitration could be said to be the first step towards privatisation of justice.⁵ This is because it by-passes the rigours of litigating in state courts while ensuring equal enforcement of its award.
