OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

Land Rover Discovery 3 Lr3

The Land Rover Discovery 3 and 4 shares the same platform with the first generation Range Rover Sport, so they share the electronics, some of the engines, the suspension layout, most of the used materials and also most of the common issues. However there are also some differences between these two technically similar cars.
