If you want the best coverage of Calc I & II, I can recommend no better than Leithold. If you want to go beyond, then Leithold provides a very good and comfortable stepping stone to Courant's higher-level Introduction to Calculus and Analysis. Really, any way you slice it, Leithold is the best textbook for any traditional approach to calculus.

Leithold is a genius. TC7 is the most comprehensive calculus book designed for both high school and undergraduate students. I was in second year college when I bought my paperback TC7. I compared its content and "friendliness" with many calculus books, and I can tell you that it's the best calculus book ever!
