The Centre for Library and Information Management Studies (CLIMS), offers Masters, PG Diploma and Ph.D programmes in Library and Information Science field. Master's programme in Library and Information Science (MLIS) is being offered since 2013 with an intake of 15 students.

## **About Us | Centre for Library and Information Management**

Library and information science is viewed as a field that started

# File Type PDF Library And Information Center Management 8th Edition Library And Information Science Text

as a multidisciplinary field based on literature, psychology, sociology, management, computer science etc., which is developing towards an academic discipline in its own right. However, the following quote seems to indicate that LIS is actually developing in the opposite direction:

## **Library and information science - Wikipedia**

Library and Information Services The Division manages the State Library and Archives, supports public libraries, directs records management services, and is the designated information resource provider for the state of Florida.
