(1) Every local government shall function within the framework of the province and adhere to all applicable federal and provincial laws. (2) No local government shall do anything or act in a manner that impedes or is otherwise prejudicial to the exercise of executive authority of the Government.

The Punjab Local Government Act 2019

Local Government Law. This course examines the possibility and desirability of decentralization of power in America. In the process of doing so, it focuses on issues such as federal and state control of city decision-making, the conflict between central cities and suburbs and among the suburbs themselves, alternatives to city-delivered services and to city taxation as a source of local revenue, and the ways in which racial and ethnic division fracture American metropolitan areas.

State ...

State law generally supersedes local laws. The laws established by local entities can cover a wide range of matters and issues. Cities or counties may have a municipal charter, which lays out local government powers and governs who and how it is enforced. Even the smallest towns and cities can pass local laws, with or without a charter.
