News The Politics Of Illusion

For over thirty years, News: The Politics of Illusion has not simply reflected the political communication field—it has played a major role in shaping it. Today, the familiar news organizations of the legacy press are operating in a fragmenting and expanding mediaverse that resembles a big bang of proliferating online competitors that are challenging the very definition of news itself.

“ News: The Politics of Illusion is a smart, provocative introduction to media and American politics. Bennett argues that the American political information system – with news at its center - is broken, with serious consequences for democracy. Bennett lays out his case, and invites readers to make up their own minds.”

News: The Politics of Illusion (9th Edition): Bennett, W ...

For years, News: The Politics of Illusion has been the leading textbook to address that question, and in this ninth edition W. Lance Bennett brings his analysis fully up to date, exploring recent developments in news media and showing how they have improved--or hampered--the wide sharing of political news and information.
