Politics Of Military Rule And

The term military rule as used here is synonymous with military regime and refers to a subtype of authoritarian regime. For most of human history, attaching military to rule would have been redundant, because almost all political regimes in large-scale societies of the premodern period fused military, religious, economic, and monarchical power. The separation of military and civilian powers and the development of professional bureaucratic armed forces in European states in the 18th and 19th ...

Military rule | political regime | Britannica

The Department of Defense has strict rules about how members of the U.S. military can participate in politics. The rules are meant to prevent any appearance of bias or partisanship among the military, whose members must follow the directives of its

A strongman is a type of authoritarian political leader. Political scientists Brian Lai and Dan Slater identify strongman rule as a form of authoritarian rule characterized by autocratic military dictatorships, as distinct from three other categories of authoritarian rule, specifically machine (oligarchic party dictatorships); bossism (autocratic party dictatorships), and juntas (oligarchic ...

This study analyzes military rule and the political transition to democracy in Nigeria. It enquires into how military intervenes in the Nigerian politics in the recent time. The study also examines how corruption induces military intervention in Nigerian politics due to the embezzlement of public funds by our political leaders as well as ...

MILITARY RULE AND POLITICAL TRANSITION IN NIGERIA: A CASE

Why is military rule a problem? Military rule implies that people are governed by force. This means that political freedom and participation are prevented because of political coercion (by military rule). To this effect, a political dictatorship prevents the masses from exercising their political rights to vote, for instance. The reason offered is that military rule is a political dictatorship

Why Military Rule should be discouraged in African Politics

Abstract. Military rule as a form of autocratic governance can mean either rule by a military strongman unconstrained by other officers or rule by a group of high-ranking officers who can limit the dictator's discretion. We label the latter form a military regime. Both military strongmen and military regimes are more likely to commit human rights abuses and become embroiled in civil wars than are civilian dictatorships.

Military Rule | Annual Review of Political Science

The Politics of Military Rule in Brazil, 1964-1985 by ...

Militaries are hierarchical organizations that specialize in the deployment of violence, so it is often assumed that militaries rule by force and by force alone. However, military rule often involves complicated attempts to secure some measure of consent from the governed. Some military regimes, for example, have permitted elections to national and subnational representative bodies.
