Sanchez' conga parts are fabulous. Lots of books have exercises, but his parts are melodic and incredibly cool. The progression is well thought-out, so each new page is accessible. I've worked with the Conga Cookbook for a year, and there's still lots to learn.

The conga, also known

as tumbadora, is a tall,

narrow, single-headed

drum from Cuba.

Congas are staved like

barrels and classified

into three types: quinto

(lead drum, highest),  
tres dos or tres golpes  
(middle), and tumba or  
salidor (lowest).

Congas were originally  
used in Afro-Cuban  
music genres such as  
conga (hence their  
name) and rumba,  
where each drummer  
would play a single  
drum.
