Primitive Marriage And Sexual Taboo

In primitive human societies, where the lives of people were intricately intertwined with the natural world, the notion of same-sex sexual experience was seen as going against nature. This was understandable, for homosexuality then as is now, is practiced by a small section of the community.

Why is gay marriage treated as taboo and how this ...

An incest taboo is any cultural rule or norm that prohibits sexual relations between certain members of the same family, mainly between individuals related by blood. All human cultures have norms that exclude certain close relatives from those considered suitable or permissible sexual or marriage partners, making such relationships taboo. However, different norms exist among cultures as to ...

Incest taboo - Wikipedia

By calling all the female members of his clan 'sisters' a man establishes a relationship of fictional kinship with them which precludes marriage or sexual intercourse." (Introduction to Social Anthropology.) The taboo, it becomes clear, was not directed against sex as such. It was not directed against "incestuous" sex relationships.

Sex and Labor in Primitive Society - marxists.org

Incest is another sexual taboo in African culture. The act involves related people by blood or marriage having sexual intercourse. This is considered provocative to the parents, gods and the ancestors. There should be mutual respect between relatives and sexual attraction between them is abominable.
