Principles of NLP - The Association for Neuro Linguistic ...

NLP's creators claim there is a connection between neurological processes (neuro-), language (linguistic) and behavioral patterns learned through experience (programming), and that these can be changed to achieve specific goals in life.

Neuro-linguistic programming - Wikipedia

Jamie Smart was there at the NLP SuperFest too, and he has made a big switch in recent years from NLP to the Sydney Banks Three Principles (3P) stuff. He has gone 'all in' in as I have heard him put it. Of course, all his NLP skills are there in his 3P coaching and I think this really adds to it.

NLP and the 3 Principles - A Perspective... — James Tripp

These are only five of the principles that form the basis of NLP life coaching techniques. While you are encouraged to think differently, you become a participant in the creation of your own achievement and success. You step out of the passive observer waiting for life to deal the cards for you.

Basic NLP Coaching Principles upon Which to Build

You need the acuity or sensitivity to notice if what you are doing is getting you what you want. If what you are doing is not working, do something else, anything else. You need to hear, see and feel what is happening and have a choice of responses. NLP aims to give people more choice about what they do.

Five NLP Principles for success | Personal Development

According to Bandler's own definition of NLP, the system is: A model of interpersonal communication chiefly concerned with the relationships between successful patterns of behaviour and the subjective experiences (esp. patterns of thought) underlying them. The idea is that all of humans share the same basic neurology.

A Complete Guide to Neuro-Linguistic Programming (NLP ...

Thought a book called the principles of NLP would go deeper into things than this text does; however, the book does manage to convey a decent foundation for a beginner to understand the basics. So, not helpful at my level, but I could see how it could be for some just starting.
