The League for the Fifth International is a revolutionary organisation. Our goal is to build a world party of socialist revolution, fighting across the world for an end to capitalism and for socialism. We base our programme - From Protest to Power - and our day to day policies on the works of Marx, Engels, Lenin and Trotsky, on the revolutionary documents of the first four congresses of the Third International and the Transitional Programme of the Fourth International published in 1938.

About us | League for the Fifth International
