File Type PDF R134a Refrigerant Capacity Guide Car

Step Complete Guide

R-134a is the most common refrigerant found in automobiles today. It has been in use since the early 1990's and now, in 2019, we are beginning to see it's popularity wane with the rise of the new HFO refrigerant known as R-1234yf. That being said, there are still millions of cars on the road that [...]
