This is the third and sadly the last book in Gemma Malley's Declaration trilogy. Gemma Malley's debut young adult novel, THE DECLARATION, is of the last category. I am making this point because while THE DECLARATION involves two teenagers, fourteen-year-old Anna and fifteen-year-old Peter, it never feels aimed towards the teen audience Therefore it is categorized as a young adult novel by the age of its narrators rather than its content and this, I believe, will give it an enduring quality.
