Translating Women Perspectives On Translation

Translating Women revives the exploration of gender in translation begun in the 1990s by Susanne de Lotbinière-Harwood's *Re-belle et infidèle/The Body Bilingual* (1992), Sherry Simon's *Gender in Translation* (1996), and Luise von Flotow's *Translation and Gender* (1997). *Translating Women* complements those seminal texts by providing a wide variety of examples of how feminist theory can inform the study and practice of translation.

Project MUSE - Translating Women

This book focuses on women and translation in cultures 'across other horizons' well beyond the European or Anglo-American centres. Drawing on transnational feminist connections, its editors have assembled work from four continents and included articles from Morocco, Mexico, Sri Lanka, Turkey, China, Saudi Arabia, Columbia and beyond.

Translating Women explores women in translation in many contexts, whether they are translators, authors, or characters. Together the contributors show that feminist theory can apply to translation in many new and unexplored ways and that it deserves the full attention of the discipline that helped it become internationally influential.

Translating Women - University of Ottawa Press

Translating Women. Feminist theory has been widely translated, influencing the humanities and social sciences in many languages and cultures. However, these theories have not made as much of an impact on the discipline that made their dissemination possible: many translators and translation scholars still remain unaware of the practices, purposes and possibilities of gender in translation.

Translating Women on JSTOR

Thirteen different chapters explore questions around women's roles in translation: as authors, or translators, or theoreticians. In doing so, they open new territories for studies in the area of 'gender and translation' and stimulate academic work on questions in this field around the world.

Google Translate

Gender and the Practice of Translation (pp. 14-34) The work of translating in an 'era of feminism', in an era powerfully influenced by feminist thought, has had an acute effect on translation practice. First, translators have sought out contemporary women's writing in order to translate it into their own cultures.

Together the contributors show that feminist theory can apply to translation in many new and unexplored ways and that it deserves the full attention of the discipline that helped it become internationally influential.

Translating women (eBook, 2011) [WorldCat.org]

The last thirty years of intellectual and artistic creativity in the 20th century have been marked by gender issues. Translation practice, translation theory and translation criticism have also been powerfully affected by the focus on gender. As a result of feminist praxis and criticism and the simultaneous emphasis on culture in translation studies, translation has become an important site for the exploration of the cultural impact of gender and the gender-specific influence of culture.
